

The County Post Updated Rate Card

Hyperlocal county news · Every county · thecountypost.com | v7 — Effective July 2026

Be the only color on the page

TheCountyPost is your county’s hometown news site — county government, schools, ag and cattle markets, local events — published in classic black and white, like the paper your county used to have. Your ad is different: a full-color card, the same size and placement as our news cards, sitting right in the local news feed. On a black-and-white page, the color card is the first thing every reader sees. That’s your business.

- **Card format:** Same dimensions as our news story cards — native to the page, never banner clutter
- **Scarcity:** Strictly limited color inventory per county page. When a county sells out, it’s sold out — no exceptions, no crowding
- **Click-through:** Your card links wherever you want: your website, your phone number, your listing on the Classifieds

Monthly rates by county size

Three sentences cover everything: the steps grow as the counties grow. A section sponsorship is double the card — and includes a card. Additional counties are half price.

County population	Color card / month	Section sponsorship / month
Under 5,000	\$25	\$50
5,000 – 20,000	\$75	\$150
20,000 – 100,000	\$150	\$300

100,000 – 250,000	\$250	\$500
250,000 – 500,000	\$400	\$800
500,000 – 750,000	\$550	\$1,100
750,000 – 1,000,000	\$750	\$1,500
1,000,000 – 2,500,000	\$1,000	\$2,000
Over 2,500,000	\$1,250	\$2,500

- **Section sponsorship:** One sponsor per section, per county — exclusive. "Sports on the Post, presented by [your business]." Your color card in the section is included.
- **Annual plan:** Pay for 10 months, get 12. Rate locked for the full term.
- **Multi-county rule:** Your first county is full rate; every additional county is 50% off that county's tier rate. Your highest-tier county is always the full-rate anchor. Applies to cards and section sponsorships alike.

Multi-county examples

- Five counties of 20–100K: $\$150 + (4 \times \$75) = \$450$ / month
- A 250–500K county plus two small neighbors: $\$400 + (2 \times \$12.50) = \$425$ / month
- Three counties under 5,000 — your whole trade area: $\$25 + (2 \times \$12.50) = \$50$ / month
- **Also available:** Sponsor placement in TheCountyPost email editions and broadcast availabilities on our TV network — ask your rep.

Network rates — state & national

Network inventory lives in the full-width bands between sections of every county page — one sponsor per band, fixed lanes, completely separate from local color cards. Network sponsors never crowd out local businesses. One simple rule: \$10 per county, per month, minimum one full state.

- **National lanes:** The two bands highest on the page, sold only as national buys — all 3,143 U.S. counties at \$30,000 / month flat. Exactly two exist in America.
- **State lanes:** The remaining section-break bands, sold state by state at \$10 × county count. Texas (254 counties): \$2,540 / month. Oklahoma (77): \$770 / month. Combine any states under the same rule.
- **Premium: the price ticker:** Gold & silver spot price ticker at the top of every page, "presented by" a single exclusive sponsor — the most visible placement on the network. National only. Priced by conversation.

Broadcast — TheCountyPost TV network

Five broadcast stations across West Texas and New Mexico. We sell presence, not seconds: flat monthly packages, spot length :30 or shorter at the same rate.

- **Rotation package — \$250 / month:** Your spot airs 6+ times daily, run of schedule, across all five stations — 180+ airings a month.
- **Show sponsor — \$500 / month:** Everything in Rotation, plus exclusive "brought to you by" billboards opening and closing one 30-minute program.
- **Long-form:** :60 direct-response spots run as two rotation units (\$500 / month). Ask about 2-minute availabilities.
- **We make your ad:** No commercial? We'll produce your :30 — free with any annual broadcast package, or a one-time production fee otherwise.
- **Post + Broadcast bundle:** Add the Rotation package to any Post web buy and take \$50 / month off the combined rate. TV + county news + email sponsorship in one buy — nobody else in the region can offer it.

Founding Advertiser offer

Counties newly joining the network qualify for Founding Advertiser terms: lock today's launch rate now, your ad goes live as your county's coverage rolls out, and your rate never increases for as long as you stay continuously active. Founding slots are limited to the standard color inventory per county — first come, first served.

Getting started

Send us your logo or artwork (or we'll build the card for you), pick your county or counties, and your card is live on the next business day. Month-to-month, cancel anytime; annual plans lock the rate.
